Subject: Chad materials for Graham Center

Greetings Robert,

My grandson (Andre Ross Gennette) enters Wheaton College this year and my daughter's family (Bethanne and Steve Gennette and their daughter MiAnna) will be at Wheaton College this week Wednesday and Thursday Aug. 10 and 11.

I have prepared a few materials that might be of interest for the Billy Graham Center and will send them with the family so they can pass them on to you. I am including a copy of my book 'Dying to Live' that is based upon John 12:24. the book includes much information about the famine and civil war in Chad (1980-850). My wife ('Inky' Beach) and I served with TEAM for 47 years. The other materials include:

1. Flash drive with the speech given by Francois Tombalbaye, President of Chad, given on the national radio broadcast (27 minutes) early 1975. Since the message is given in French, I am also sending an English translation done by French friends who also served in Chad.
2. Same Flash drive contains a national radio broadcast of a Swedish couple (with Apostolic Mission in Chad) who and a Chadian pastor who were interviewed as they did not speak against the government enforced Yondo rites of initiation that ran contrary to Christian beliefs. This is in French and if you would like, I can yet get an English translation printed for you.
3. Recording of Mr. Bert Wilkenson who entered Chad as the first missionary (served with SUM Canada) that began the work that is today known as the (EET) Evangelical Church in Chad). I have also transcribed the recording and the printed transcription is included.
4. I am including a letter written by Mr. Wilkenson in 1923 to some of his supporters.
5. The Flash drive includes some photos of the work in Chad and the file name includes limited information about each photo. If such photos are useful, I will be glad to provide others and also to provide more information about any photo included on the Flash drive.
6. If I am required to sign any release form for the Billy Graham center, please send it to me and I will include it with the materials that I am sending to you.

In Christ together,

Ross Beach, PhD
