

INDEX OF CORRESPONDENCE

{The following list of correspondents was prepared in 1977 under the supervision of the staff of the Special Collections department of Northwest Christian College, as part of their processing of the McGavran collection. **It relates to the materials in folders 1-1 through folders 12-22 exclusively** and does not include the correspondence or materials in any other box. Specifically, it does include the correspondence in folders 12-23 through 19-9, or 60-2 through 60-4. Any additions to this index made by the BGC Archives staff are in the same kind of brackets that are around this note.}

OUTGOING LETTERS

Letters written by both Donald and by Mary are filed together in chronological order. Several letters written on the same day are filed alphabetically under recipient name. Undated letters (n.d.) are filed in the last file. The index lists letters written by Mary separately. Letters signed with both names are indicated by a small b.

OUTGOING LETTERS – Signed by Donald or by both (b)

INCOMING LETTERS

Letters received both by Donald and by Mary are interfiled alphabetically by the name of the writer. Two or more letters written by the same person are in date order. Anonymous letters or those with incomplete or illegible names are filed preceding "A". Letters which have both names in the salutation are indicated by a small "b". There is a separate index for letters written to Mary.
